SPECIAL CONDITIONS, PRICING , AND SERVICES PROVIDED

1. This contract will be available for use by Region 19 ESC and its ESC Region 19 Allied States Cooperative members in the El Paso market as well as other members and new members throughout Texas and the United States. This contract allows for vendors to pick and choose which parts of the country by County, State, Multi-State, or nationally.
2. Region 19 reserves the right to award lot by lot or in groups whatever is determined to be in the best interest of all ESC Region 19 Allied States Cooperative members.
3. Vendors should include a Certificate of Insurance stating their coverage's and limits for General Liability, Automotive Liability, and Workers Compensation for award consideration.
4. If applicable and Federal funds are being utilized as a part of this contract, vendor agrees to comply with the American Recovery and Reinvestment Act of 2009.
5. **Award basis will be 50% pricing, 30% quality of goods and/or services, and 20% on reference checks.** Additionally, ESC Region 19 reserves the right to utilize any other award criteria as stipulated in Texas State law in the best interest of its clients.
6. ESC Region 19 and/or its Purchasing Cooperative members reserve the option to audit costs and invoicing from awarded vendors during the contract award period.
7. Vendor must have ability to work on cars, trucks, vans, school buses, and other high profile vehicles that may be owned by Region 19 ESC and area school districts. If only certain vehicles can be services, vendor should state its limitations in its RFP response.
8. As per Texas Education Code, copies of insurance and workers compensation will be submitted with proposals as this is a requirement by law.
9. **LOT 1- Vehicle Body Work, Decals, Framework, Painting, and Touchup** - Body work, frame work, painting, and related services for this lot will be warranted for materials and labor for one year from the date of the original services.
10. **LOT 2, 3 & 4 - Tire Repair and Related Services** - Vendor must submit a current price list of tires stocked for award consideration . Vendor must provide hours of operation, typical wait time, and related services provided (mounting, balancing, and repair services at storefront locations for award consideration. Vendor must provide discount from price list for all Region 19 Purchasing Cooperative members for award consideration; if the price list is what coop member pays, just state 0% discount. Tire price to include mounting and balancing with manufacturer's warranty.
11. **LOT 5- Battery Replacement** - Excepting bus batteries, all batteries will have 60 month warranty
All batteries will be expedited for same day delivery after receipt of order. Vendors must have a store front for emergency pickups **in the areas of the country they wish to service under this contract.**
Pricing submitted will include trade in and disposal for existing batteries. If there are costs associated with recycling and proper disposal has hazardous waste, please include with the proposal respons.
Any environmental charges must be provided at time of proposal submission
12. **LOT 6- Transmission Service** - All replacement parts used in repairs will be new including torque converters
Parts & labor for transmission repair and replacement will be for 12 months and unlimited mileage in the 12 month period unless otherwise stated to the members who must agree before the work is performed. If there is an estimation fee for inspection, vendor must state such in its response, otherwise estimates will be at no charge to the member.
13. **LOT 7- Radiator Repair Services-Flat Rates** - Heater and radiator repairs to include removal one (1) tank, acid bath, and rod cleaning.
No painting of heaters or radiators under this contract.
Flat rate charge will include rodding service, upper lower tank cleaning, minor leak repairs, and leak checking

14. **LOT 9- Engine, Brake, and Related Repairs-Buses & High Profile Vehicle** – All repairs will be with OEM or certified replacement parts unless agreed to by ASC member in advance of service to be performed.
Billing will be in 30 minute intervals unless otherwise stated.
All work performed will carry a 6 month warranty for parts and labor unless otherwise stated.
All work will be performed by certified mechanics
All brake installations or work performed will be in compliance with the manufacturers certified guidelines and other related services when required.
All vehicle brake work to include turning rotors, drums, repacking of bearings, replacement of pads, replacement of shoes, and other related services when required.
Purchasing cooperative members will only pay the amount of labor time as designated in the Mitchell Mechanical Labor Estimating Guide for Domestic & Imported Cars, Trucks, and Vans
15. **LOT 10- Glass Repair & Replacement** - These services will include but not be limited to automotive glass repair, bus glass repair, windshield replacement, mirror replacement, windshield replacement wipers, window glass, and related services both on site and at vendor's location...glass to be provided will include flat laminated glass, tempered glass, and windshield glass.
Pricing for removal, purchase, and installation of glass for buses, cars, truck, and vans will be a discount from (NAGS) or the National Auto Glass Service Guide.
Pricing and discounts submitted will include all related supplies required to install windows.
On-site service will require complete cleanup and removal of area in which service is performed.
16. **LOT 17 & 18- Air Conditioning Installation, Repair, Replacement and Related - Autos, Vans, ½ Ton Trucks** - All repairs will be with OEM or certified replacement parts unless agreed to by ASC member prior to the service being performed.
Billing will be in 30 minute intervals unless otherwise stated. All work performed will carry a 6 month warranty for parts and labor unless otherwise stated. All work will be performed by certified mechanics
