

**EDUCATION SERVICE CENTER REGION 19  
RFP AWARD SUMMARY**

**RFP TITLE:** Construction & Heavy Equipment – ESC Region 19 Allied States Cooperative  
**RFP NUMBER:** 15-7180  
**RFP OPENING DATE:** February 3, 2016  
**CONTRACT TERM:** Date of award until February 28, 2017 with the option to extend in one-year increments annually for an additional four (4) years if agreed to by ASC and Vendor  
**(Extended by Region 19 until February 28, 2018)**  
**(Extended by Region 19 until February 28, 2019)**  
**(Extended by Region 19 until February 28, 2020)**

**FUNDING SOURCE:** Various  
**RFP's ISSUED:** 92  
**RESPONSES:** 5  
**ADVERTISEMENT DATES:** The Washington Post – January 28, 2016 & February 4, 2016  
The El Paso Times - January 28, 2016 & February 4, 2016  
**BOARD MEETING DATE:** May 19, 2016

**RECOMMENDED FOR AWARD** **4 Rivers Equipment**  
**Cruise Car, Inc.**  
**Prana Machinery, Inc.**

**TOTAL (estimated)** **\$3,500,000.00/ year**

**EXPLANATIONS:**

Award of this contract will enable Region 19 Purchasing Cooperative members to purchase from vendors who can provide turnkey sales, service, parts, warranty work, and related as it pertains to Construction and Heavy Equipment, for the entire range of Construction and Heavy Equipment that can be used by schools, universities, cities, counties, special governments, state governments, and other governments that must comply with competitive procurement when spending tax funds. The ability to service, repair, factory warranty, and maintenance agreements is a critical component of the pricing and weight factors were taken into consideration on these matters during the evaluation process. All awarded vendors scored above an 80. A proposal from FMH Handling Solutions, Inc. and Precision Saw and Tool Tex, Inc. were incomplete Vendors were contacted by phone and notified by email for information needed to completely evaluate the proposal submitted. No response was received therefore their proposals were not considered.

**Articulated Trucks** - An articulated vehicle is a vehicle which has a permanent or semi-permanent pivoting joint in its construction, allowing the vehicle to turn more sharply

MODEL: 370E-410E-460E at **22.5% off Manufacturer's List Price**

**Crawler Dozers** - A bulldozer is a crawler (continuous tracked tractor) equipped with a substantial metal plate (known as a blade) used to push large quantities of soil, sand, rubble

MODEL: 650K-700K-750K-850K at 26.5%

MODEL: 1050K at **23.5% off Manufacturer's List Price**

**Compact Excavators/Track Excavators** - Excavators are heavy construction equipment consisting of a boom, dipper, bucket and cab on a rotating platform known as the "house"

MODEL: 75G-85G-130G -135G at **29.5%**

MODEL: 160G-180G-210G- 245G-250G at **31.5%**

MODEL: 290G-300G-350G-470G at **25.5% off Manufacturer's List Price**

**Backhoe** - A backhoe loader, also called a loader backhoe, digger in layman's terms, or colloquially shortened to backhoe within the industry, is a heavy equipment vehicle that consists of a tractor like unit fitted with a shovel/bucket on the front and a small backhoe on the back. Due to its (relatively) small size and versatility, backhoe loaders are very common in urban engineering and small construction projects (such as building a small house, fixing urban roads, etc.)

MODEL: 310L-310LEP-310SLHL-310SL-410L-31SSL at **41.5% off Manufacturer's List Price**

**Landscape Wheel Loaders** - A loader (bucket loader, front loader, front-end loader, payloader, scoop, shovel, skip loader, or wheel loader) is a heavy equipment machine used in construction to move aside or load materials such as asphalt, demolition debris, dirt, snow, feed, gravel, logs, raw minerals, recycled material, rock, sand, woodchips, etc.

MODEL: 210L-LEP SERIES at **33.2% off Manufacturer's List Price.**

**Multi-Terrain Loaders** - A loader (bucket loader, front loader, front-end loader, payloader, scoop, shovel, skip loader, or wheel loader) is a heavy equipment machine used in construction to move aside or load materials such as asphalt, demolition debris, dirt, snow, feed, gravel, logs, raw minerals, recycled material, rock, sand, woodchips, etc.

MODEL: 444K-524K -544K-624K-644K-644K Hybrid-724K-744K at **38.5% off Manufacturer's List Price**

**Graders** - A grader, also commonly referred to as a road grader, a blade, a maintainer, or a motor grader, is a construction machine with a long blade used to create a flat surface during the grading process. Typical models have three axles, with the engine and cab situated above the rear axles at one end of the vehicle and a third axle at the front end of the vehicle

MODEL: 670G-672G- 770G•772G-870G-872G at **42.5% off Manufacturer's List Price**

## Cruise Car, Inc.

Nathan Kalin

5120 Middle Ave. Sarasota, FL. 34234

941-929-1630

Fax: 941-355-6470

[www.cruisecarinc.com](http://www.cruisecarinc.com) / [Nathan@cruisecarinc.com](mailto:Nathan@cruisecarinc.com)

Cruise Car, Inc. (CCI) is a manufacture of electric, solar electric, gas golf style carts and street legal low speed vehicles. Additional offerings include ADA approved wheelchair transports, trailers and custom vehicles.

## Technical Resources

Cruise Car can provide parts and repair manuals as well as technical phone support. In the event of a needed repair, Cruise Car technical department will make arrangements with local repair shops to provide the needed services. Cruise Car has a free of charge dedicated customer support phone line (941) 355-3070 and free tech email [parts@cruisecar.com](mailto:parts@cruisecar.com) Support available from M-F 9 am to 5 pm. Technical resources include printed manuals, online literature, preventive maintenance checklist and comprehensive live support as needed. Advanced service issues are also supported by on a national and global level by a network of certified vehicle mechanics. Company Headquarters in Sarasota stocks over \$500,000 in parts and processing time is usually under 24 hours. All vehicles are shipped with a limited 2-year warranty.

## Training

### Service - Parts Tech – Albi Moctezuma

All vehicles are built to specifications that exceed all other major American golf cart brands.
