Kindle Fischer Specialty Chemicals submitted a proposal however was not considered due to termination and suspension on a prior contract.

SPECIFICATIONS, PREPARATION AND EVALUATION PROVIDED BY:

Rebecca Hernandez – ESC Region 19

Andrea Amiri – ESC Region 19

Patty Delgado - ESC Region 19

Special Conditions

1. This solicitation is to include but not limited to: abrasives, soldering and welding, building facilities supplies, electrical lighting, motors and power transmission, drills, reamers, counter bores, dies and taps, fasteners, adhesives and hardware, hand tools, lumber and specialty woods, material handling, storage, packaging, measuring instruments, threaded piping, pumps, paint, ballasts, batteries, computer duct (wire mold), conduit boxes, conduit (EMC, IMC, FLEX, PVC), conduit fittings, lamps (incandescent, fluorescent, HID, miniature), lighting fixtures, power controls (contractors, relay, starters, pushbuttons), power distribution (load centers, disconnectors, breakers), wire, wire connectors (wire nuts), wiring devices, HVAC/refrigeration

systems, equipment, parts, supplies, services, swamp cooler/refrigerated AC units, commercial gas water heaters, plumbing parts and accessories, water coolers and parts, plumbing faucets, fixtures and parts, floats, vacuum breakers, relief valves, toilets, wash basins, urinals, washers, couplings, clamps, bolts, piping, tubing, fittings, valves, floor surface and wall coverings such as carpet, laminate, linoleum, tile and related, clear laminated safety glass, clear plate glass, glass solexia, grey laminated glass, wire glass, channel aluminum screen, screen corners, screen wire, spline, J-bar deep pocket, and related equipment, supplies, tools, all door types, curtain walls, windows, roof windows and skylights, hardware, thresholds, doorstops, doorknobs, locks, kick plates, laminated glass, insulating glass, chalk boards and tack boards, bicycle racks, compartments (toilet & related), identifying devices (signage, flag poles, directional materials), letters and plaques (inside & outside), louvers and vents, metals (stair & walkway), operable walls and partitions, panel fold, postal accessories, raised flooring, roller shades, smart boards, toilet and bath accessories, traffic signs, wall and corner devices, wall and corner guards, wall protection, etc.

2. This proposal will identify primary suppliers for various maintenance, repair, and operations equipment, supplies, and materials to be purchased on an as needed basis during the contract term for transportation, building facilities, and other equipment used.
3. This solicitation will cover small skilled labor projects. It is not intended to be utilized as a multi-discipline contract. Vendors can only do the services for which they are awarded. Services are to include but not limited to installation, removal, repair, consultation, and measurement. Disciplines include but are not limited to carpet, tile, glass, electrical, heating ventilation and cooling (HVAC), plumbing, welding, carpentry, masonry, and painting.
4. Please note that if catalog(s) require different discounts, please provide the minimum discount offered for all catalogs or items. Ranges are not allowed in the system.
5. No proposals tied to catalogs will be considered unless accompanied with a current catalog.
6. ESC Region 19 Allied States Cooperative understand catalogs change routinely. Updated catalogs are required to be submitted for approval. All discounts must remain the same as awarded.
7. Vendor agrees that pricing discounts submitted are the best pricing based on the criteria and that if seasonal and special promotion pricing exceed the bid pricing, the vendor will honor the lower pricing.
8. Exclusive, proprietary, or sole source supplies and goods should be so noted in vendor's response for evaluation purposes. Proof of copyrights and patents should be submitted with proposals; however, no sole sources will be considered for purchases from this contract unless it is included with the original RFP.
9. Contractor shall furnish all personnel, material, parts, equipment, and tools necessary to complete the project and pricing for those services shall be included in the proposal.
10. Vendor may be required to provide a payment and/or performance bond to member. Bonding and permits are a pass-through cost and should be itemized on the quote.
11. Vendor shall provide verification that product meets minimum recommendations based on industry standards, if requested by member.
12. All installation of products offered through this solicitation must be performed by a properly licensed and bonded (when necessary) installer authorized by the manufacturer. All installers authorized by the manufacturer must be in good standing with the state and its political subdivisions.
13. Product shall be installed as specified by the manufacturer. Clean up will be on a daily basis and the worksite will be returned to original and safe condition upon completion of the work, free of rubbish, wrappings, debris, trimmings, soda cans, and other peripheral trash.

14. This contract will NOT cover asbestos removal. Member is responsible for ensuring area is free from environmental contaminants.

15. Vendor must be able to provide licensing or employee credentials to member upon request.

***Note to Members:** This RFP covers small skilled labor projects only. It is not intended to be utilized as a multi-discipline contract (construction services). For construction services, utilize our Job Order Contracting & Facilities Construction Services bids. Also, this RFP does not cover asbestos removal.
