ESC Region 19 Allied States Cooperative awards contracts in compliance with 2CFR 200 EDGAR guidelines. Prior to issuing solicitations, a Cost/Price analysis is performed in determining independent estimates. The analysis is based on historical data from previous contracts, new member commitments and/or reviews of overall market conditions. Analysis is not conducted for catalog solicitations. It is recommended that each entity perform their own independent analysis prior to purchase for compliance with guidelines. Members needing documentation should contact any Allied States Cooperative team member for assistance.

Sincerely,

Becky Hernandez
